## SUPERINTENDING SCHOOL COMMITTEE

E. H. JELLISON, Chairman,

Term expires March 1921

L. U. BRAGDON

Term expires March 1922

C. E. HALE

Term expires March 1923

## SUPERINTENDENT

Elmer B. Eddy

## TO THE SUPERINTENDING SCHOOL COMMITTEE AND CITIZENS OF TOWN OF SORRENTO:

I think I am justified in stating that we have enjoyed a year of prosperity. The teachers have all been faithful to their trust. The discipline has been good and good advancement been made. The spirit among the pupils has been most excellent, while the citizens have done all in their power to make the schools successful. However, the conditions at High Head are not satisfactory. For the past year the school has been crowded, while the number of pupils enrolled is perhaps not excessive, the fact that there are eight grades represented increases the number of classes so that but a few moments can be given to each recitation. The parents know these conditions. The teachers have done their best. After due consideration for bettering the school, we recommend that money be raised to employ an additional teacher. I think the sum of \$475 would be sufficient. When we consider that in the last year the schooling has cost considerably less per pupil in this school than in the other school and that because of the large number of classes the pupils cannot be given proper instructions, this appropriation seems a reasonable demand.

## REPAIRS

With the money raised a new shed and closet were built at the Cove. This added much to the comfort and convenience of the pupils. A new platform was laid at High Head. The building at the Cove should be painted this year and a few minor repairs made at High Head. Our school buildings will then be in good repair. A few additional books must be supplied this year. I would suggest that \$100 be raised.

In closing I wish to thank the teachers for their honest endeavor and hearty support. To the School Committee and Citizens I again express my hearty thanks for the support and co-operation received.

Respectfully submitted,

ELMER B. EDDY,  
Superintendent of Schools.
